

SPAZZ FEST VIII

sponsorship packages

Spazz Fest takes pride in being extremely supportive of two things: the community we live and all forms of art. We are determined to stick to our D.I.Y. roots while maintaining a healthy relationship with the town of Greenville, North Carolina. Here is an overview of what we strive to achieve:

Spazz Fest is a multi-faceted arts and cultural festival that occurs annually in Greenville, North Carolina. The festival takes place over the course of four days, primarily focusing on the promotion and exhibition of local and touring musicians. Other forms of art are also showcased, such as visual, culinary, literary, and entrepreneurial imagination. This year's festival will take place from March 23rd-26th with four to seven events happening each day.

The main audience that Spazz Fest attracts are full-time residents of Greenville, along with surrounding towns, who regularly attend Spazz Presents and other live music events throughout the year. Spazz Fest also has a dedicated fan-base that have attended the festival yearly since it was created in 2010. Each year, the festival draws more people from larger neighboring cities such as Raleigh, Durham, Charlotte, and beyond. We are proud to entice festival goers to travel to Spazz Fest for a dose of Greenville's culture!

Greenville has a diverse population of artists, most of which are attracted to attend and become involved with Spazz Fest. Our goal, every year, is to branch out and reach more people and artists than the last year. Greenville's very own **East Carolina University** has immense potential in its diverse student body; to create an extremely inclusive and engaging environment for Spazz Fest.

With the help of Sponsors like you, Spazz Fest has been able to grow larger in scope every year. In appreciation of the aid we receive to further fuel our reciprocal relationships, we offer our sponsors special promotional packages based on the level of help listed below. Thank you!
